A MEETING of the Board of Investigation will be held at the Court-house at Nanaimo on Tuesday, the 20th day of March, 1917, at 2 o'clock in the afternoon.

At this meeting all statements of claim to water privileges under Acts passed before the 12th day of March, 1909, on any of these streams, all objections thereto, and the plans prepared for the use of the said Board will then be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will hear the claimants, will determine the quantity of water which may be used under each record and the further works which are necessary for such use, and will set dates for the filing of plans of such works and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were holders of water records on the said streams and yet have not filed statements of their claims with the Board of Investigation, such persons are required to file, on or before the 1st day of March, 1917, a statement as required by section 294 of the "Water Act, 1914." The forms (No. 50 for irrigation and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

The claims of riparian proprietors who have filed, as required by section 6 of the "Water Act, 1914," statements of claim to waters of any of the said streams will be heard at the same time and place.

Dated at Victoria, B.C., this 9th day of January, 1917.

For the Board of Investigation.

DOMINION ORDERS IN COUNCIL.

[340]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Wednesday, the 7th day of February, 1917.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

HIS EXCELLENCY the Governor-General in Council is pleased to amend the Order in Council of 19th December, 1916, approving regulations for the administration of "Project Meadows" in the forest reserves within the Railway Belt in the Province of British Columbia by striking out the figures "13" after the word "clause" in the fifth line of section 1, and substituting the figure "2" therefore, and the same is hereby amended accordingly.

RODOLPHE BOUDREAU,

mh1

Clerk of the Privy Council.

[107]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 12th day of February, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated January 9th, 1917, from the Minister of the Interior, submitting that it is provided *inter alia* by section 22 of the regulations for the survey, administration, disposal, and management of Dominion lands within the Forty-mile Belt of the Province of British Columbia, as established by Order in Council of the 17th September, 1889, that a patent for a homestead should not issue to any person not then a British subject by birth or naturalization.

Emile Andre Marc, a French Reservist, now serving with the Second Life Guards, British Expeditionary Forces in France, has applied for letters patent for his homestead, the east half of the North-west Quarter of Section 2, Township 4, Range 5 west 7th meridian, and, according to the evidence submitted, he has completed the required settlement duties. Mr. Marc was born in France and has not yet been naturalized. He left British Columbia for active service in August, 1914. His wife and child still reside in Canada. He requested, in December, 1914, that his patent be issued. Delay occurred in securing his application for patent at the front, and the issue of patent is still delayed because he is not naturalized. It will entail further delay to comply with the requirements of the "Naturalization Act," or it may be found impossible to do so while the homesteader continues on active service.

The Minister considers it a hardship that there should be further delay in this connection, and considers that the intention of the homesteader to become a British subject is in view of his active service sufficient compliance with the naturalization provision of said section 22 of the regulations.

The Minister states that another case of the issue of patent to an enlisted homesteader is before the Department, which is delayed because of the necessity of securing compliance with the "Naturalization Act," and other cases will no doubt from time to time arise.

The Minister therefore recommends that—in the case of homesteaders in the Railway Belt of British Columbia on active service for Great Britain or her Allies, who, by reason of such service and the difficulty of technically complying with the provisions of the "Naturalization Act," are debarred from or delayed in securing patent after the completion of duties—he be authorized to waive the requirements of said section 22 as to naturalization before issue of patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

mhS

Clerk of the Privy Council.
